

## DIRECTIONS:

1. Print slides 2-3 on cardstock.
2. Cut around dotted lines on slide 3 to make picture cards.
3. Have child place picture card on top of matching picture on slide 2.

## OPTIONAL:

- Laminate both slides, and put Velcro dots on the picture mat and the backs of the picture cards.
- Tape slide 2 into a file folder and staple a ziplock bag with the picture cards to it for easy storage.
- Cut and make picture cards out of both slides and lay them all out face down. Use them to play a memory game.
